The sandwich platters are made in a selection of sliced bread and fresh baker's rolls with a selection of white and brown bread. The sandwich platters are elegantly presented to wet your guest's appetites, along with disposable plates and serviettes. All you need to do is turn up and enjoy!

We are more than happy to cater for individual people's dietary requirements, just let us know their individual needs. You can choose the fillings in your sandwiches from our range, or we can put a selection together for you.
